Dear Shirley,

I write this letter to you as Chairman of the Hemsby Allotments and Leisure Gardeners Association. I am making enquiries on behalf of our members and all those who require allotments in Hemsby.

During our discussions a number of questions have come to light. Our committee has therefore decided that they need to know the answers to a number of these straightforward questions. These are highly relevant and concerned directly with our campaign for allotments.

The questions are set out below :-

- 1) Does the Hemsby Parish Council own any land whatsoever in Hemsby ?
- 2) Who owns the 'Poor Lands' located off Common Road in Hemsby ?
- 3) Who is responsible for the administration of the Hemsby 'Poor Lands' ?
- 4) Are there any other parcels of land owned by a church or charitable trust in the parish ?

We would be grateful if you could reply with the answers to these questions at your earliest convenience. If you cannot answer a question, please indicate :-

- 1) the person to whom we should correctly address our question
- 2) your reason for withholding any information
- 3) answers to any remaining questions

Yours sincerely,

Noel Galer
Chairman
Hemsby Allotments and Leisure Gardeners Association
